

Yes! Putters

Putting Alley - £24.99

The perfect gift for those prone to missing short putts. This device uses a raised precise putting surface (27 inches long) as the putting 'alley'. After a few putts, you can determine your putting error by seeing where the ball falls off. This amazing price is only open to *bunkered* readers. yesgolf.co.uk

Bioflow Sport

Twin Wristband - £34.99

Bioflow Sport wristbands are the latest must-have magnotherapy wrist accessories for golfers. The new Twin design features dual magnet technology, with a patented Central Reverse Polarity magnet module and a relay magnet embedded in the strap. This powerful combination is designed to pull the magnetic field deep in to the wrist. bioflowsport.com

Blunt

Blunt Golf_GI - £74

After launching an umbrella that is capable of withstanding wind speeds of up to 120km/h (Wind Force 12), Blunt Umbrellas New Zealand has now applied the same technology to the Blunt Golf_GI, an umbrella developed in cooperation with world-famous caddy Steve Williams. Available in black, red, blue and grey.
